

Statement

Gas fueling during XX International Mountain Balloon Competition – 01-04 May 2019 at the KROSNO airport.

Refueling takes place on the parking apron from the south side (as in the previous year).

Access to the refueling spot through the streets:

-from the Jasło direction: Podkarpacka, Zręcińska, Lotników, Kaczorowskiego

-from the Sanok direction: Podkarpacka, Wyszyńskiego, Słoneczna, St. Batorego.

Registered Balloon teams can refuel:

1st of May – 16:00 – 24:00

2nd, 3rd, 4th of May – 8:00 – 12:00 and 20:00 – 24:00

We fill 4 gas bottles marked with the logo of the competition.

We would like to remind you about the obligation of having radio for all teams in accordance with aviation regulations for all aircrafts.
